

I went to bed last night stressed, worried, and discouraged. This morning I awoke to a sunrise that said, "I'm still in control!" Why do we worry? I serve a God who created a sunrise that blows me away! "Can any one of you by worrying add a single hour to your life?" Matt. 6:27 In fact by worrying we lose hours of our lives because we're too focused on what we don't have, what might happen, and what could be true. Instead we should be focusing on what is TRUE. We're created by a God who created the sunrise and sunset. He knows the number of hairs on our head and calls the stars by name. What's the worry?

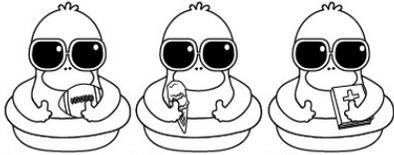

The 2011 Summer Sports Camps

The 2011 summer brought another amazing round of the Skybacher Summer Sports Camps. We once again had 2 basketball camps, 2 soccer camps and one flag football. We had an incredible staff of high school and college counselors, and nearly 300 kids who participated in the camps. It is clear by year 4 that everyone is starting to get the big picture that Skybacher Sports Camps aren't just about sports. We had a whole range of crazy characters introducing the virtue of the day. At basketball camp J-Mo and D.J. Blender taught everyone how to have swagger. Mobacca brought his fun loving smoothies to soccer camp, Papa G encouraged everyone to eat donuts, and Cranky D, well he was just plain cranky. The camp slip-n-slide got a lot of usage as it was an extremely hot summer. Campers were taught virtue lessons on; creativity, listening, teamwork, communication, and of course celebrating. Each week ended with a celebration of snacks, and awards from the coaches. It all added up to one incredible and blessed summer. We had amazing weather, lots of "good sports", a bunch of "good times" and we heard "good news"! Thank you Lord for a great summer!!

Rubber Duck Derby 2011 - Makes A Big Splash at Community Days

On July 30th Skybacher Ministries held it's first ever Rubber Duck Derby Race. On the day of the race we sold walking tacos and rubber ducks at New Sewickley Community Days. Our final tally for the Ducks sold was 414.

Around 7pm the crowds started heading to the creek banks where we dumped in all 414 ducks. The Ducks took off in a flurry and headed down stream battling each other out for the first place finish. The crowd watched in anticipation cheering and calling out their ducks number. In the end it was Duck #164 owned by Jayden Sharpless that pushed past Duck #247 Gale Zahn for the \$100 cash prize. After we got the first 20 finishers a mass of ducks would not be contained and they headed through the finish line and onto deeper waters! Kids were jumping in the creek and gathering ducks from all over. I can safely say though, that no ducks were lost in this event.

A huge thanks to everyone who participated in, and helped make this event possible. Next year we wanna see 1,000 ducks make their way to the finish line, we'll just make sure we have a better exit strategy for collecting them!
